FOREWORD

Life is full of change in many forms, but the ultimate good therein is improvement. We, the young are growing and maturing and will one day take up the work that has gone on before us. Therefore, let us not shut our minds to change now, but attempt to see improvement in whatever change may come about, in order to broaden our outlook and better our ideas. This book, as it represents part of life, also represents change, in the hope that it will serve as a reminder that we should not be afraid to change.

Dear Anna,
It has been a long time since I last wrote to you. I hope you are doing well and happy. I am sorry to say that I have not been able to see you again. I have been very busy with my work and have not had much time to spare. I hope you understand. I am sending you a small gift as a token of my regards. Please accept my best wishes and my love. I hope to see you again soon. Take care and stay safe. Best regards, Harry Connell.

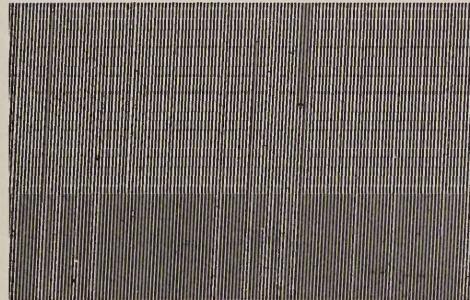

Dear, Donna
You just had a lot of fun
having you has been fun
and you'll have a lot of fun
in class this year
and as you stay in the future year
you'll go to and nice as

DEDICATION

To you, Mrs. Pritchard, we of the Annual Staff, dedicate the 1960 LEGEND.

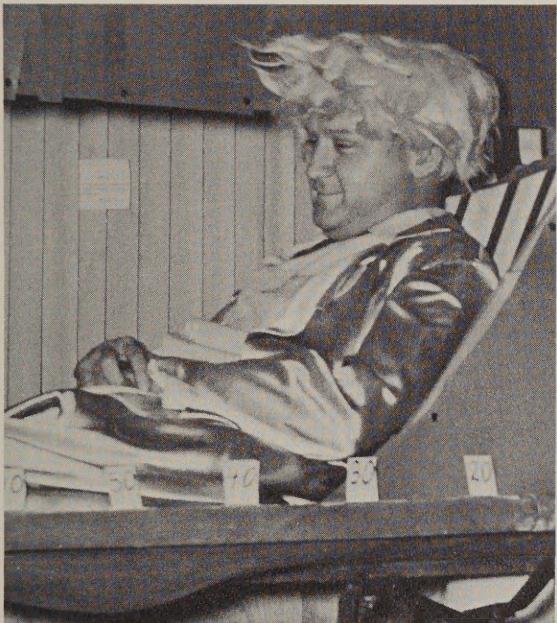

Your fine work as advisor to the LEGEND during the past four years, has established the traditions of unity, co-operation and hard work. With these set standards, the staff has been able to produce memorable annuals during this time.

You will always be remembered for the services that you rendered to El Cajon Valley High School. For this . . . we thank you.

"Who threw the stone?"

The lovely queen was carried in on her couch.

My goodness!

Each year the losing football prognosticators cook steaks and serve them to the winning prognosticators. This is a quiet event attended by serious faculty members. This year the winners were honored; a few soft songs were sung; the tranquil group then returned home to rest for the next teaching day. Here we see a few candid shots of the evening's activities.

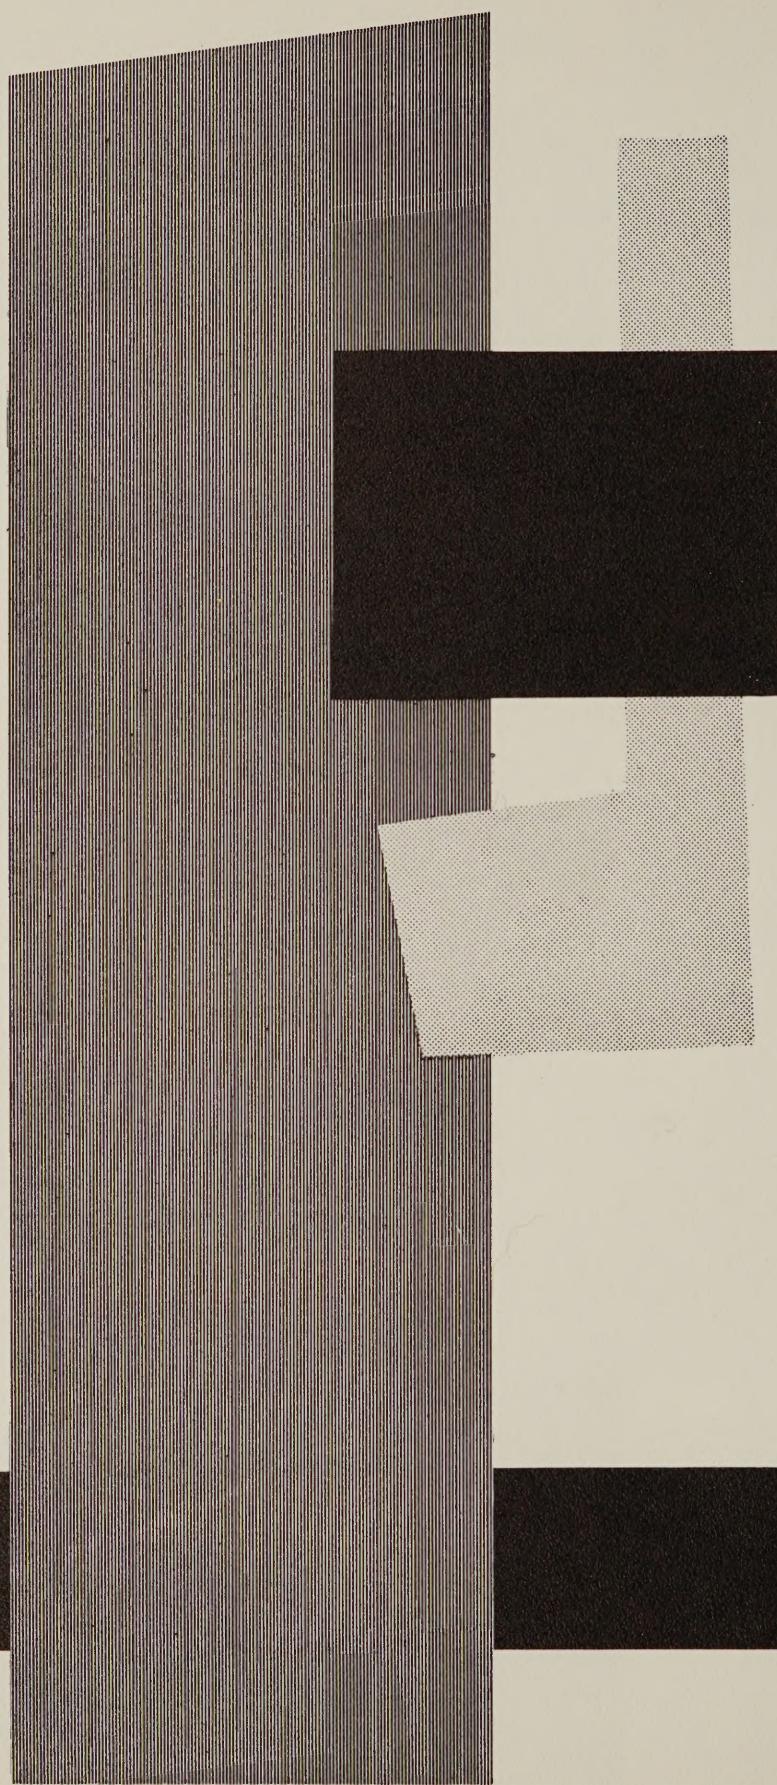

The old committee was awarded according to merit.

"It just happens that I have a few notes here."

ADMINISTRATION

DISTRICT ADMINISTRATION

Mr. Smith
District Superintendent

Board of Trustees

Mr. Hughes
Assistant Superintendent

We are grateful to our distinguished and well managed district administration for making our school districts one of the finest in California.

SCHOOL ADMINISTRATION

PRINCIPAL, John S. Cornelius

We are rather sad that the time has come for our family of five years to break up for the formation of El Granito High School. We believe that from the split will come two strong fine schools.

To our friends who are leaving we say, "Return often to see us."

VICE PRINCIPAL—September to February
Philip C. Morell

VICE PRINCIPAL—February to June
Fred O. Greta

My message to you is a quotation of John Morley: "Success depends on three things; who says it, what he says, how he says it; and of these three things, what he says is the least important."

The inevitable growth of the student population in El Cajon Valley has forced a division of the "Home of the Braves." While I regret leaving El Cajon Valley High, I feel very fortunate to have had the privilege of serving this school and its student body during the past four and one half years. I have enjoyed my association with our fine faculty and staff. In particular, I have appreciated the inspiring leadership of Mr. Cornelius. It will seem that a part of me will always be here at the "Home of the Braves."

In forming a new high school I pledge myself to an all out personal effort to build and maintain a school the calibre of this one. I am certain that those who will join me in establishing the new school will work hard for El Granito's success during the difficult first year. It is natural that a keen rivalry will develop between the schools, but it will be a warm friendly relationship, void of bitterness, but more likened to the competition of brothers within a family.

Congratulations to the '60 graduates, and good luck to students of El Cajon Valley High and El Granito High next year.

He plans to attend the University of California at Davis and major in Agriculture Education. Besides ranching and raising livestock, Louis enjoys making model airplanes and collecting stamps.

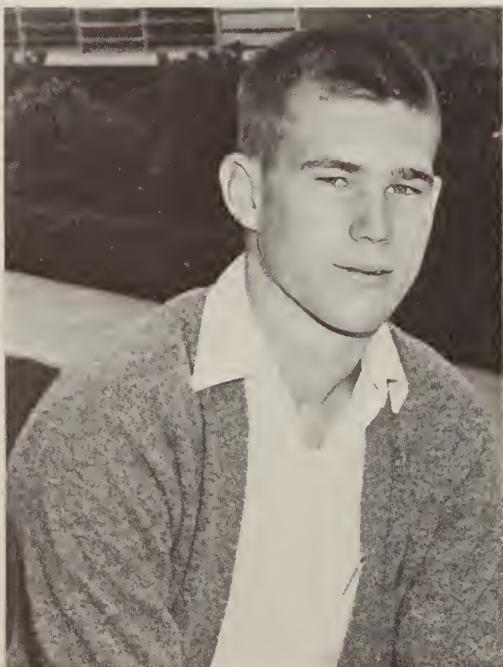

Roberta Taber—Although she participated in school activities such as Latin Club, C.S.F., Science Club and was an Archbearer, Roberta was still able to keep up her studies and receive an award for qualifying for the NMSQT. Her immediate plans include marriage and eventually college.

Dick Howard, Jeanette Jehl, Carl Campbell—These three students have been active in Speech and Debate. They have won various awards in Speech Tournaments. Bill Poschman, not present for this picture, was also outstanding in Speech.

Thomas Foster—Tom has qualified as a Bank of America Trophy Winner, General Motors Finalist, and as a State Scholarship Finalist. At ECVHS, he was a member of the marching band, orchestra, Science Club, Debate Team, Senior Prom Committee, and Senior Class Council. Tom is planning to further his education in the field of chemistry at the University of California at Berkeley.

James Breeden—Jim graduated as number one in his Senior Class, academically. During his Junior and Senior years, he served as Class President. Marilyn Monteforte—"Miss Teenage Miss" is the title won by Marilyn; she is also a Bank of America Certificate winner. This peppy song-leader was active in Student Council, Y-Teens, C.S.F., and also held the position of Commissioner of Public Relations. She plans to attend S.D.S.C. to obtain her teaching credentials.

Dean Heyenga—As well as being A.S.B. President, Dean has been active in basketball, tennis, Science Club, and he has played the lead role in "Good News." By Congressional appointment, Dean has been chosen as an alternate to attend the Air Force Academy.

George Norwood—George has been chosen as an Air Force Academy Alternate, and he is also an NROTC Candidate. George may either attend an Air Force Academy or the University of Idaho. While at ECVHS, George was a member of the tennis team, class council, and school service committees.

Glenn Cloes—Glenn has qualified as an NROTC candidate. In order to qualify for this program, he took a competitive test. Glenn has an interest in sports, especially basketball and track. After graduation, he plans to attend Stanford University.

As the Seniors leave El Cajon Valley High School, it is their pleasure and privilege to donate a gift to the school. The Class of '60 for three years has displayed enthusiasm and responsibility, so it was appropriate to do something different and outstanding.

Many suggestions were considered and weighed carefully for possible gifts. After much deliberation, it was decided that a fourteen foot statue of an Indian brave carved of wood be mounted on a concrete foundation four feet high with a bronze plaque announcing to posterity that it has been donated by the Senior Class. We truly believe this majestic brave towering over the Campus will for many years stand for this great class of 1960.

HIGHLANDER CORNERS FLYING BRAVE

El Cajon halfback Stan Landess, white uniform, is about to be brought to earth by his Helix pursuer, Brian

Funk, but not before the Brave ball-carrier had gained 15 yards. Helix won. (Story on Page a-20).

es extended their pennant-clinching winning streak to 13 games tonight when they rallied for three runs in the ninth inning to beat Boston, 6-5, with the help of a boner by rookie second-baseman Marlan Coughtry.

Coughtry, with a chance for a double play that would have ended the inning and sent the game into overtime, instead vainly chased base-runner Roger Maris near first base while Hector Lopez ran home from third with the winning run.

A bigger and better annual is what our advertising said. We know the book is bigger, sixteen pages were added. The staff, under the capable direction of Carol Eggert, has worked hard to create a better annual. Seniors, Gloria Sanders and Kathy Lorentz, are to be commended for their efforts and good ideas.

A few innovations were introduced to improve the visual beauty of the book. A hardback cover has been used for the first time, as well as textured paper, more pictures, and a more contemporary layout. The staff has tried to make this a bigger and better yearbook—for you. We hope you like it.

Increased production costs presented a serious problem to the SMOKE SIGNAL this year. There were fewer papers than previously as a result. However, the staff and cubs worked as hard as ever to bring ECVHS news to the students.

Not only is this course an opportunity for a future career in the field of Journalism but also the satisfaction of seeing your thoughts and ideas in print.

VERSE CHOIR

Alfred E. Peace
(whoops! Jim R. Peace)

The El Cajon Valley High School VERSE CHOIR, a unique organization which is in its third year, has proved again to be a genuine asset to this campus. Performing throughout San Diego County, the VERSE CHOIR has spread word of El Cajon Valley High School and excellent poetry to areas not otherwise touched by other school activities. This year's choir proudly features twenty charming and talented young ladies who represent both the junior and senior classes. The choir is further proud of the fact that it has been imitated by several schools in the county, a point which is always a tribute to success—but the VERSE CHOIR of this high school will never be surpassed. Undoubtedly, this year's choir has well managed to top choirs of previous years. El Cajon Valley High School can well be proud of this tremendously artistic group. (like what did you expect . . . poetry?)

This year the ECVHS Concert Choir under the direction of Mr. Harold G. Lutz has provided varied and entertaining musical programs before community service clubs, the student body, parents, and friends. One of the most outstanding performances of the year was the Spring Concert in which the choir displayed their versatility by singing a

wide range of musical selections such as "Madame Jeanette" and "If God Be For Us." The latter song was written by Mr. Lutz. With this ambitious program the Concert Choir has accomplished their purpose by broadening the musical appreciation of our community.

MARCHING BAND

"Anything worth doing is worth doing well." With these words a constant reminder, this year's 105 piece band accomplished what seemed to many to be the impossible.

They became the second band in the history of the Long Beach Band Review to retire a "Sweepstakes Trophy" when they were declared the "top band" for the third straight year.

One week later they became the "first" band to win a third "Sweepstakes" at the Corona Invitational Band Jamboree.

After winning the San Diego Band Review, an invitation to march in the 1960 Rose Parade was accepted. The "Braves Band" was seen by millions as they represented the City-County of San Diego in the 5½ mile parade.

In addition they participated at four home football games, the Carnival, the Band Jamboree at Aztec Bowl, the Mother Goose Parade, UCLA Band Day, and S.D. State College Homecoming Parade.

"A Great year for a GREAT BAND, CONGRATULATIONS CHAMPS."

the orchestra include a Christmas concert with the Choir, music festivals, a trip to Los Angeles, a "Pops" concert and the annual "Spring Concert."

Three musicians were selected as members of the All California High School Symphony Orchestra held at Santa Barbara in February.

The El Cajon Valley High School Girls' Specialties Corps consists of two units—the Bravettes and the Flag Corps. The Corps enjoyed a highly successful season with participation in the Metro League Carnival, four home football games, three parades, the Grossmont District Halftime Review, and the Corona Invitational Band Jamboree. The latter event brought the girls their biggest thrill. Their precision in marching and formations, their showmanship and their uniformity of costume helped the Blue Ribbon Band bring home the Sweepstakes Trophy for the third straight year.

The effort and diligence displayed by the Corps members have made this year a tremendously buoyant one—perhaps the best in the history of the Specialties Corps.

SPECIALTIES

Miss Jody Johnston

Dear Miss Johnston:

We'd like to take this opportunity to express our sincere appreciation for the many things you have done for us this past year. Without your guidance we never could have accomplished all the things that we have striven for. You have been not only a leader to us, but also a very dear friend and companion; one who was always there to rely on for help and guidance . . . no matter what the circumstances.

Those of us who will be leaving El Cajon Valley High School this June, will never forget our Senior year in the Specialties Corps. Most of all, we'll never forget you, Miss Johnston. From the bottom of our hearts . . . thank you, Squirrel.

The football famine which has plagued E.C.V.H.S. for two years came to an end this year when the Braves, led by the returning lettermen and the team captain, triumphed over Mt. Miguel, 6-0. Even in defeat, the Braves displayed tremendous sportsmanship on the field. The team culminated its season with a glorious victory over our newest rival school, El Capitan, 39-13.

The J. V. Football Team had a poor season this year. They finished the football season with one win and seven losses. However, the team gained a great deal of experience which will prove useful in the future.

Even though the Frosh football team was up against strong competition, they won two out of six games by the end of the season.

Their effort was their strength; their strength—their unity.

Coach Joseph Brooks again proved that a great deal of hard work can produce a fine cross country team. The Varsity team was undefeated in dual meet competition. They won the Metro League finals, sweeping the first three places. Their superior conditioning was again evident when they won the Aztec Invitational one Friday on the tough zoo course and then the next day, won the Mount San Antonio Invitational. After winning the SCIF preliminaries, the team went on to

Long Beach where they placed third in the SCIF Finals.

The iron man of the team was Jim Phillips who was consistently first for the Braves. After Jim Phillips, the next two outstanding runners were Steve Wistock and Ray DeBolt. The squad was large this year, and there is every indication that they will supply both El Cajon and the new school with a nucleus of championship runners; they will be tough next year.

Winning nine of the dual meets, the Braves Varsity Wrestling Team again placed second in Metro League competition. Only the championship Mt. Miguel aggregation topped the El Cajon grapplers. In league competition the Braves amassed a total of 276 team points, to their opponents 79. Dave Goedker and Mike Baxter placed third in the post season SCIF tourney.

With a well conditioned squad that included a number of experienced wrestlers, the Braves Junior Varsity Team posted an enviable record with nine wins and one loss. Such veteran wrestlers as Ron Jones, Dick Christofferson, and Steve Eide pointed the way for one of the finest groups of freshman wrestlers in El Cajon's history.

IN MEMORIAM

"Mousie"

This page is dedicated to the memory
of—

David Mills . . .
a quiet, conscientious student whose
personality and character won him
many friends.

Alan Stinson . . .
an outstanding athlete whose devilish
personality as well as his generosity
made everyone like him.

Both boys will be long remembered
by all of those who knew them.
